NSCAP CIRA ACCREDITATION OF CIRA SERVICES PROVIDERS BENEFITS NATIONAL SECURITY SYSTEM (NSS) OWNERS AND OPERATORS

Accredited Cyber Incident Service Providers Are:

- Evaluated thoroughly on their ability to provide CIRA services in 21 critical focus areas.
- Required to demonstrate consistent use of repeatable processes and procedures.
- Required to maintain highly skilled and qualified staff to deliver proven services.
- Required to improve quality of service through training, lessons learned and shared situational awareness.

NSS Owners and Operators Receive:

- Assurance that highly capable resources are available when needed.
- Rapid engagement with minimal response times and incident impact.
- Access to resources with specialized capabilities.
- State-of-the-art Cyber Incident Response Assistance.
